## Ben Goldacre at The Amaz!ng Meeting (VIDEO)

Written by JREF Staff Thursday, 28 March 2013 18:24

In 2008, the Amaz!ng Meeting 6 took on the theme "I, Skeptic", exploring the role skeptics play in the modern, digital age. In this video from our archives, Dr. Ben Goldacre of BadScience.com chronicles his experiences arguing against the pseudoscience of homeopathy both in and out of the media.

You can check out JREF's other videos from The Amaz!ng Meetings, which have been viewed nearly 1.5 million times since we started making them available online for free, at <a href="YouTube.co">YouTube.co</a> m/JamesRandiFoundation
